ORDER:

The Director of Insurance Medical Services,AP., Hyderabad in her letter read above has stated that there is a department of Microbiology at ESI Hospital, Sanathnagar, which is being upgraded to 500 bedded hospital. The department of Microbiology is headed by one Civil Surgeon Specialist (Microbiology) only. The Civil Surgeon Specialist, Microbiology is not having any qualified assistant to help her in the department. Presently only the Lab-Technicians are working under the Civil Surgeon Specialist. As per E.S.I.C norms for a 500 bedded hospital, there should be two Civil Surgeon Specialists and two qualified assistants to help the Civil Surgeon Specialist in Microbiology department. Therefore, there is a need for two Microbiology Assistants with Post Graduate qualification(M.Sc.Microbiology) to carry out the specialized work.

2. The ESI Corporation, New Delhi has further decided to reimburse the entire administrative expenditure on running of ESI Scheme by the State Government with effect from 01.04.2009 subject to fulfillment of certain conditions and thereby, there is no financial burden on the State Government. Therefore, the DIMS has requested the Govt. to sanction two (2) posts of Microbiologists at ESI Hospital, Sanathanagar in the best interest of the Insured persons and their family members.

3. Government, after careful examination, hereby accord permission to the Director of Insurance Medical Services,AP., Hyderabad to appoint two (2) Microbiologists on out sourcing basis with a remuneration @ Rs.15,000/- p.m each, for a period of one year duly following the guidelines on outsourcing to run the ESI Hospital, Sanathnagar smoothly, as the ESI Hospital, Sanathnagar is facing acute shortage of microbiologists resulting in inconvenience to both administration and ESI beneficiaries.

4. The Director of Insurance Medical Services,AP., Hyderabad is requested to take necessary action accordingly,

5. This order issues with the concurrence of Finance (SMPC) Dept., vide their U.O No.3595/135/A1/SMPC/10, dated 24.02.2010.
